

A detailed oil painting of a serene autumn scene. In the foreground, a small river flows through a lush landscape, with a fox standing on a rock in the water, its reflection visible. The riverbanks are covered in fallen leaves and rocks. In the middle ground, two rustic wooden cabins with steep roofs and chimneys are nestled on a grassy slope. A dirt path leads from the river towards the cabins. The background is filled with tall trees displaying brilliant autumn foliage in shades of red, orange, and yellow. In the far distance, majestic snow-capped mountains rise against a clear blue sky. The overall style is reminiscent of classic landscape art, with rich colors and fine detail.
